Dear Parent/Carer,

As you are aware from the journey to school this morning, the roads surrounding the school are the focus of ongoing gas works. We have spoken to the gas team this morning and unfortunately their focus is going to be 'ongoing' and for the foreseeable future.

We ask that now knowing how difficult it can be, you leave earlier or explore alternative routes/methods of getting here. We are mindful that late arrivals are to be expected and will note that local road works are at fault. However, knowing about them as we do can help to ensure children arrive in school before 8:50am.

Thank you for your continued support, we will keep you informed as we know.

Yours sincerely

Louise Johnson
