Friday 7th December 2018

The Wickford C of E School Consultation for Primary School Status

Dear Parents/Carers,

We would like to seek views regarding converting to primary status. This would give provision from ages 2-11.

If you have an opinion, please complete the details overleaf and return it to the main office as soon as possible but it must be before Friday 14th December 2018. We would appreciate as many early responses as possible as we will be submitting early documentation on Wednesday 12th December. As you may be aware the push for primary status has been ongoing for many years, however this application will be supported by the Rt. Hon Mark Francois MP. We have appreciated his advice and support at this early stage and have been urged to move forward swiftly.

There will be further documentation shared and a meeting held, to discuss this in more detail. At this point having initial opinions would be very beneficial. I have no doubt, judging by the informal feedback and frequent questions I receive, that this is something much wanted. Careful planned changes to the footprint of the whole school will be considered and advice from professionals will be sought. We all have a strong desire to protect the outside space, including the playground. Adaptations will be carefully planned to accommodate all.

This process needs the full backing and support of the whole school community and I ask you to support us in the aim of building the only outstanding faith primary school in Wickford. We need to do this together.

In addition to the brief survey below, if you feel strongly about helping us to provide these additional years of education, then please consider writing an open letter/email offering words of support. Please pass these to the office, they will form part of the application process.

Please return this initial survey to the box in the office.

Yours sincerely

Louise Johnson
