Dear Parents/Carers

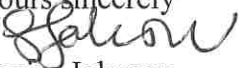

We are currently looking to undertake a Lego afterschool club, with a new and exciting club provider called Kids With Bricks Ltd.

As one of the largest providers of after school clubs in the country, they are able to offer a number of exciting features that literally no one else can! Things like:

- A massive inter-school weekly competition with great prizes!
- Loads of **free** LEGO® bricks and resources for schools!
- Exciting YouTube channel with videos every week showcasing the children's work!
- Videos each week to help teachers run the clubs together with a great fun scheme of work.

The club scheme of work each week is structured to look at a small number of key learning objectives and this knowledge is cemented through play and exploration.

Each session is for 1 hour and costs £3.99. We would like to gauge parent/child interest so please complete the slip below. Please note that this is only an expression of interest and not a commitment or guaranteed place.

Yours sincerely

 Louise Johnson
