Dear Parent/Carer,

A very busy, funny and sticky week! How much fun did the children have? Thank you so much for the time given to support this project, the children were very excited to see you and have you work alongside them. The company involved - Art Solutions, have worked with us before and once again commended our children.

Old clothes were also much appreciated, always worth asking for to protect uniform. Please feel free to pop in and view the finished pieces in the hall and long corridor.

PRIMARY STATUS To ensure you are kept informed, these conversations are ongoing. The Primary Status is very much part of the drive for the future standing of the school.

FOUNDATION STAGE/LITTLE TEDS ENTRY SURVEYS Many thanks for the feedback received this week. The information gathered will form part of the planning of the next intake.

SMALL TOYS Please could you remember that small toys coming into school should be pocket size? Many thanks for your support.

MOMENTS OF LOVELINESS

For this week this must be the wonderful letter received from the Rt Hon Nick Gibb. Apparently we are in the top 4% of Primary Schools in the country - for our phonics data.

Tours, a pleasure to show so many people around ahead of September 2019.

LOST PROPERTY Ava in year 2 is missing a school coat. Her name is on the label in the pocket. Please could you check your child has the correct coat. Please make sure ALL items of clothing are named.

SHARING ASSEMBLY Friday 16th November there will be no sharing assembly for parents. The next sharing assembly will be on Friday 23rd November for year 2 parents.

HEAD LICE We have been advised that these little creatures are doing the rounds in other Wickford schools. Please could you check your child's hair regularly.

HIRE THE HALL

Need to organise a children's party? Need some space to run an event? If so, please note that the school hall is available for hire. Prices start at £85 for a three hour slot, but we can arrange bookings for shorter or longer periods to suit your needs. Just call into the office if you are interested.

See you Monday

Mrs Johnson and the CofE team.

What parents need to know about FORTNITE: BATTLE ROYALE

MICROTRANSACTIONS

New featured items are released daily and are only available to purchase within 24 hours of their release. These are cosmetic items, called 'skins', 'gliders' and 'emotes', which change the look of the characters but do not improve the game play. Once purchased, the player has full use of these in the future. The designs are made admirable for players to purchase and even celebrities are endorsing them. Also available to purchase in the game is a 'Battle Pass'. When a new 'Battle Pass' is released, users can play a series of challenges to receive more rewards (cosmetics) by progressing through different tiers. Whatever rewards they achieve can then be used in the game.

HACKER ATTACKS

News site Forbes said it had seen "dozens" of reports online by people who said their accounts had been compromised by hackers. Hackers gained access to users accounts in the game and spent hundreds of pounds in fraudulent charges.

NO PROOF OF AGE REQUIRED

Signing up to the game is relatively simple. Users have the option to log in with their Facebook or Google accounts or their email address. When signing up with an email address, there is no proof of age required. If your child is under the age of 12, it is important to check if your child has the game downloaded.

IT CAN BE ADDICTIVE

Games can last around 20 minutes but this varies with each game. Children may feel angry if they lose the game and continue to play until they achieve the result they want. The competitive nature of the game may make it difficult for children to stop playing halfway through as it could affect their position in the game.

TALKING TO STRANGERS DURING SQUAD MODE

Interacting with other players in the game is part of the fun as players can communicate with their friends and other players in the game. Players will benefit from wearing headphones in the game to hear footsteps from other players trying to compromise their game. Wearing headphones makes it difficult for parents to hear what exactly is being said and children may be exposed to inappropriate language. Fortnite includes really good reporting features for players either cheating or misbehaving, and work towards having one of the best online gaming communities.

SOCIAL MEDIA SCAMS

There are many accounts on Facebook and Twitter which claim to give away free money (known as 'V bucks') for games which will be transferred to their Xbox Live or PSN cards. Any giveaway promotion from Fortnite will be in game. It is important to check the authenticity of these accounts before giving away personal information in order to claim 'v bucks'. The websites or accounts may ask you to share your account name and password in order to claim the money; if these offers seem too good to be true, they usually are.

IT CAN BE PLAYED ON THE GO

The game was released on mobile in April 2018 meaning it can be played without a games console at home. Some schools have reported that the game is distracting their students whilst in the classroom. As the game is available outside of the home, parents may not be aware of how long their child is on the game.

'FREE' TO PLAY

The game is free to play. However, if playing on Xbox, you will need an Xbox gold subscription to play the game which is chargeable.

WEAPONS AND VIOLENCE

PEGI has given the game a rating of 12+. Even though the game includes violence and weapons such as crossbows, grenade launchers, rifles, pistols, shotguns and more, PEGI say "more graphic and realistic looking violence towards fantasy characters is allowed. Any violence towards human characters must look unrealistic unless it consists of only minor or trivial injury such as a slap", making the game 'suitable' for children aged 12 and over.

Top Tips for Parents

#1 LIMIT GAME TIME

Parents can use parental controls on Xbox and PC to limit the time your child is playing games on the devices. Be aware that the game is available on iOS and will soon be available on all mobiles. With this in mind, it is worth having a conversation with your child to discuss and agree how long you would like them to spend on games. Even though the games last around 20 minutes, it may be hard to take them away from a game mid play. It may be worth using a limit of the amount of matches they play rather than a time limit.

#2 RESTRICT PAYMENT METHODS

'Fortnite: Battle Royale' is a free to play game, but there are still options to make additional purchases. If you do not want your child to make payments, ensure your card is not associated with their account. If you are happy for your child to make payments in the game, but want to limit spending, we suggest using a paysafecard, or a games console gift card. These can be purchased in specific amounts, which will allow you to limit how much your child spends and removes the need for a credit/debit card to be used with their account.

#3 PREVENT THEM TALKING TO STRANGERS

There is an option to turn off the voice chat feature, which means they wouldn't be able to talk to anybody, including their friends. Your child will still be able to use the in-app chat and hear other people's conversations. To turn off voice chat, open the Settings menu in the top right of the main Fortnite page, then click on the cog icon. Open the Audio tab at the top of the screen. From there, you can turn off voice chat.

#4 SHOW THEM HOW TO MAKE A REPORT

If your child believes a player is playing or talking inappropriately, you should advise them to report them. To report a player, you can use the in-game feedback tool located in the Main Menu of the game. Additionally, you can report a player in-game when spectating them.
