

The Pupil Premium was introduced in April 2011, and paid by means of a specific grant based on school census figures for pupils registered as eligible for Free School Meals (FSM) in Reception to Year 11. For looked after children the Pupil Premium was calculated using the Children Looked After data returns (SSDA903). The Pupil Premium is additional to main school funding and it will be used by this school to address any underlying inequalities between children eligible by ensuring that funding reaches the pupils who need it most.
