Wednesday 24th January 2018

Dear parents/guardians,

As you are aware, this year our whole school focus has been raising the awareness of internet/online safety. We plan to extend this important message into a focus day, which will be on 7th February 2018 – ‘Tech Day’.

During the day, we will be introducing an acronym to help the children remember basic internet safety rules. The children will be using a range of devices such as: Apple TV, laptops, iPads, Interactive whiteboards and Beebots.

In preparation for our ‘Tech day’ we will be running a poster competition. We would like you to design a poster to promote our e-safety rules...

- S - Speak up
- A - Ask an adult
- F - Friends and Family only
- E - Enjoy and explore safely

Things to remember with a poster:

- Big headings
- Bright colours
- Eye catching designs
- Can it be read from a distance?
- Is it bossy?
- Does it display the important messages we are promoting?

Poster entries can be handed in to your child’s class teacher, due in by the 5th of February. Staff and Governors will be picking a winner from each year group on ‘Tech Day’ and the lucky winner will become the owner of a £5 iTunes voucher and their posters will be displayed in the hall.

The competition is optional but you have to be in it to win it!

Looking forward to seeing the entries!

Miss Spalding
