**WARM CLOTHES** We are reminding children to wrap up warmly and zip up coats. Please ensure they have named hats, scarves and gloves in school. Thank you.

### Moment of loveliness

Foundation Stage have been detectives this week as they have gone on the hunt for Barry the bee and Artem the alien who have disappeared from their room! On entry to school on Tuesday they found footprints, the children were excited to investigate the size and shape of the footprints in order to track down who took them!

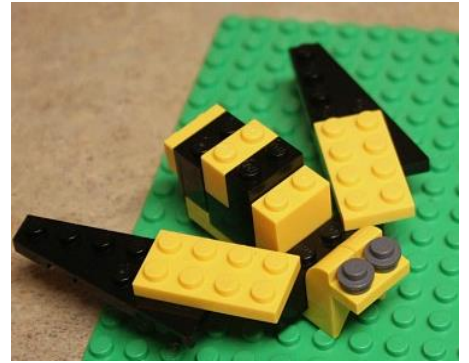

Mia from Flamingo class, carefully explained to Mrs Woodger and Mrs Tucker that even though I have feet 13 cubes long (the same as the culprit!) I couldn't be to blame as my soles has a different print on them! She has very careful observation skills.

Barry and Artem appeared, worry not.... in Mrs Boswell's freezer!

**LEGO CLUB** Last week I added the following note to the newsletter: It was lovely to see Mrs Adams' club and their attempts to build insects from Lego. We clearly have some excellent engineers. I wonder if anyone else can do it?

Here is a photo of a bee, can you build a bug and send me a photo of you and 'it'? It's not an easy task so think of it as a challenge, try a different sort of creature and don't give up 😊

Teddy from Puffin class sent in photographs of his creations, well done to him! Please have a go and send in pictures of what you are able to make.

### ***HIRE THE HALL***

Need to organise a children's party? Need some space to run an event? If so, please note that the school hall is available for hire. Prices start at £85 for a three hour slot, but we can arrange bookings for shorter or longer periods to suit your needs. Just call into the office if you are interested.

Have a lovely weekend! See you Monday.

Mrs Johnson and the CofE team.
