Dear Parent/Carer,

Well the week started off brilliantly with the repainting of the lines and 'School Keep Clear' zig zags, it has taken many emails and phone calls but these are finally in place. Many thanks to Mark Francois for his help in this process. Pot holes filled, yellow lines painted and parking monitors in place - what a successful half term it has been!

LETTER SENT HOME ON MONDAY If you missed the content of this very important letter you can find it on the following link:
<https://www.essex.police.uk/advice/child-sexual-exploitation>

TIES Thank you for your responses, we appreciate the views gathered. The uniform for Year One in 2020 will include the wearing of ties (on elastic), for the Year 2 of that year it will be optional.

WHATSAPP AND FACEBOOK A polite request to keep the content of these friendly.

MEDICAL APPOINTMENTS A reminder that these should be made out of school time please.

READING A reminder to keep up with reading over the holiday, the challenge sheets are in the front of the diaries and will be counted up in due course. I have been looking at Foundation Stage reading diaries and many reflect a high level of support, thank you!

MR CHAPMAN'S CHALLENGE! A note from Hilltop...In the past Mr Chapman has 'agreed' (he was the previous Deputy Head at Wickford CofE) to take part in many challenges to help raise money for different charities. So far he has completed a night hike, a distance swim and had his legs waxed among other events.

Now Mr Chapman is keen to try a new event to raise money for two more charities. Movember is a well-known charity in place to raise awareness and support mental health for men <https://uk.movember.com/?home>. Following the sad loss of Olivia at Wickford C of E, he is also keen to support her charity for DIPG <https://www.thebraintumourcharity.org/our-research/research-tumour-type/diffuse-intrinsic-pontine-glioma/>.

Therefore, he is taking Movember to the extreme and has picked up his razor for the last time this term! He will be growing his beard from today until the last week of school but that is not all - he also has additional challenges in place if we can work together to raise enough money.

I thought it would be nice to let parents know that great fundraising work is already happening across the town. If you would like to sponsor him, please drop donations in to the office.

MILK MONEY Due to a price increase from the company that supplies us the price for next half term has unfortunately gone up. Milk Money for next half term will be £14.82.

MOMENTS OF LOVELINESS Mrs Tarplett and Mrs Springall were in reception this morning and were very impressed with the children's learning and the way they were all joining in.

Attendance this week Due to problems with the internet this week we are unable to print the attendance. Fingers crossed this will all be rectified for our return in 2 weeks time.

HIRE THE HALL

Need to organise a children's party? Need some space to run an event? If so, please note that the school hall is available for hire. Prices start at £85 for a three hour slot, but we can arrange bookings for shorter or longer periods to suit your needs. Just call into the office if you are interested.

See you on Monday 29th October, after the two week break.

Mrs Johnson and the CofE team.
